Consider extra-curricular activities for your group:

Let one of our coordinators make the arrangements for you!

Fun Events:

We can provide quality entertainment and interactive team building events that will energize and motivate your delegates. Inspiring your audience creates an environment where they will be more receptive to your message.

Sample 1 - Entertainment:

For a splash of after dinner entertainment, consider a magician, Improv actors, musicians, comedian, hypnotist, casino night or perhaps an Elvis impersonator. Even if you're not sure exactly what you want, we can help you choose or create exactly what you need from a large network of professional entertainers.

Sample 2 - Team Building:

In need of an event that promotes camaraderie, relieves stress, and encourages thinking outside the box? Consider a Murder Mystery, Road Rally, Photo Scavenger Hunt, or a teambuilding event customized to suit your theme.
